1*12 months

Avoid **detention**

Authorities can prevent your ship from leaving the port due to remarks on the fire or gas detection system.

Avoid **detention**

Consilium Safety Red Carpet™ ensures swift action in all major ports worldwide

Avoid **detention**

Detention may also cause:

- Additional port fees
- Longshoreman overtime
- Tugboat standing idle
- Pilot standing idle

Calculate your savings

Avoid **delays**

If your ship is delayed, you might need to run the ship faster to make back time at the expense of excessive fuel bills.

Avoid **delays**

Consilium Safety Red Carpet™
priority service keeps your
downtime to a minimum.

Avoid **delays**

Delays also cause:

- Fewer opening hours onboard
- Additional crew costs
- Passenger compensation
- Fire patrol rounds
- Increased emissions

Calculate your savings

Save **costs**

Service, spare parts, training and support tend to pile up and unsurprisingly lead to high costs. With Consilium Safety Red Carpet™ you get prioritized in these areas as well.

Save **costs**

**Everything is dealt
with from a local perspective
– close to you and your colleagues
and in your local language.**

Save **costs**
