Consilium

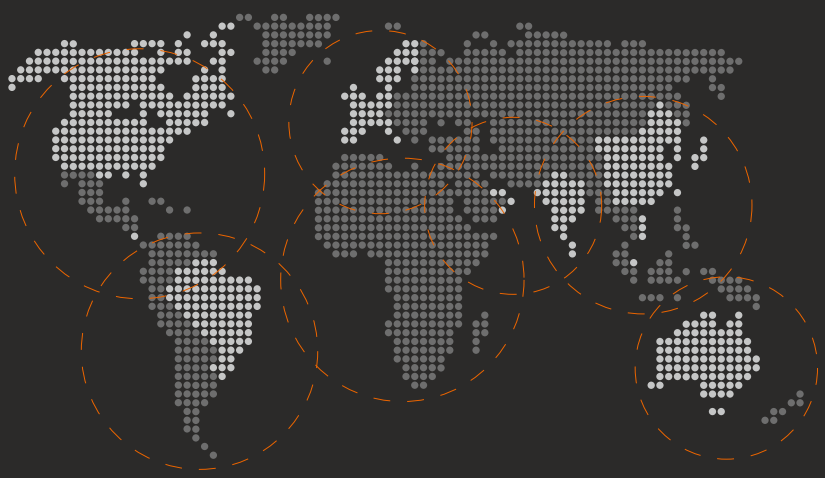
Complete coverage of your needs

We understand the importance of meeting your ship's safety and compliance needs. That's why we offer our system in three types of kits: **Small**, **Medium**, and **Large**. Whether your ship requires more detectors or additional coverage, we have a solution tailored to your needs. Our kits are designed to be easily delivered and installed, ensuring minimal disruption to your operations. Choose the package that addresses the specific safety needs of your vessel.

	SMALL	MEDIUM	LARGE
Smoke detector	10	20	40
Heat detector	2	4	6
Manual call point	2	3	5
Central	1	1	1
MED approved and DNV Certified	✓	✓	✓

GLOBAL SUPPORT WITH LOCAL EXPERTISE

Consilium offers fast and accessible support no matter where you are in the world. Nothing beats local expertise in your language. With a global service network and a strong local presence, we ensure accessibility wherever you operate.



As much as we are proud of our success, our commitment is to ensure safety. We have pledged to protect the lives of mothers and fathers, sisters and brothers, colleagues and friends. Our work never ends. That is why we keep innovating.
